WOW! Steven Sexton TRULY embraces the opportunity to empower a generation to BE THE ONE and to embrace their own unique giftings. Not only will youth be inspired, but as a youth minister for more than 14 years, I was challenged to BE THE ONE myself with my own unique giftings and calling. HIGHLY recommend this book to anyone needing a charge.

Just had the opportunity to read the book "Be The One" By Steven Sexton. Wow!! What a powerful and engaging read! I'm convinced if every God-lover would look down on the inside of their heart, they would connect with the powerful truth revealed in these pages. It's a rallying call to all believers to stand up and fight for others. To step outside your comfort zone and see that we can make a difference in the lives of others. Great Read....Thanks Steven

"Be the One" is one of those reads that causes you to get a little uncomfortable in a very needed way. I love Steven's in your face style of writing that provokes the Spirit of God in you to abandon complacent and passive thinking and wake up to the cause within you. Its convicting, compelling, inspiring and at the same time encouraging and I would recommend his book to every youth pastor as a resource for stirring up the hearts of your leaders and young people. A must read!

AWAKENING A GENERATION OF DIFFERENCE MAKERS

I love this book. I've read through the first few chapters and its awesome. This message is without a doubt something that this generation of young people needs to hear. Can't wait to finish it and use it in my group of leaders.

### **Mark Gerner**

*Youth Pastor at Gethsemane Church, Evansville, Indiana*

"Be the One" has reminded me of Keith Green's messages: tough, to the point, challenging, prophetic, but not without hope. It's a message that needs to not only be heard, but digested and acted upon. Get it. Read it. Share it with your youth!

### **Paul Floyd**

*Associate Pastor at Living Word Church, Mansfield, Louisiana*

I love books that challenge me, provoke my thinking, and leave a deposit of truth in me. This is definitely one of those books. Great job, Steven. I will recommend this book to our staff and leadership.

### **Andrew-Andy Thomas**

*Youth Pastor at Life Point Church, Wichita, Kansas*

I love this great truth from Pg. 37 of "Be The One"... "Obedience is not always comfortable, but without it we never leave the category of potential."

### **Paul Kern**

*Associate Pastor at Christian Ministries Church & Administrator of Applied Life Ministries, Hot Springs, Arkansas*

I just finished reading Steven Sexton's book "Be The One". As a pastor and administrator for over 20 years I can highly recommend the message Steven has for this generation. This book is definitely a must read for every young person and I encourage every parent and youth pastor to use this as a tool to transform the culture. Steven has... shown us once again that God is looking for the willing, not the waiting.

### **Hettie Lue Brooks**

*Founder of Brookhill Ranch Summer Camp, Christian Ministries Church, and Hettie Lue Brooks Ministries*

I have known Steven for fifteen years and I have had the privilege of seeing these things he has written about, manifest in his own life. Oh how wonderful to know someone who actually practices what he preaches. Steven has been "the one" in so many avenues of life and the fruit he bears... remains. This book can direct you, teach you and inspire you to be a "difference maker" (as Steven calls it). Everyone longs to make a difference—but often we lack the courage to "stand alone" and do what's right. This book will train you. Reading it is only the beginning— doing it will fulfill your longing to find your purpose in life. I'm proud of you, Sexton—may your efforts "make a difference" and may the Church of Jesus Christ find her voice through this new generation you are leading.
